

[Directions to St Bees School and Business Management Centre \(Whitelaw Building\)](#)

By road: Turn off the M6 at Junction 40 on to the A66 to Keswick. Then take the A595 to Whitehaven. St Bees is clearly signposted off the A595, three miles beyond Whitehaven and 47 miles from Junction 40. Our advice is not to follow Sat Nav instructions which lead you off at Junction 36, as this will bring you a convoluted (although picturesque) route through the Lake District. Take the M6 and leave at Junction 40 – taking an onward route along the A66 and A595.

By rail: We are very lucky to have St Bees railway station on our doorstep. The Carlisle to Barrow line is operated by Northern Rail. Carlisle is on the main West Coast line run by Virgin trains. Carlisle to London takes just over three hours while Carlisle to St Bees takes just over one hour. [To view the current timetable for the Carlisle and Barrow line please click here.](#)

By air: International flights fly in and out of Manchester Airport (140 miles from St Bees). Newcastle Airport is only ninety miles away and Liverpool airport services international flights as well. EasyJet provide flights through all three airports whilst Ryanair provide flights to Liverpool and Newcastle.

If you have any queries, please contact Taina or Wendy in the office on 01946 828000 or email mailbox@stbeesschool.co.uk.

Business Management Centre (Whitelaw Building)

If you are visiting for a conference or business event at the Business Management Centre, please call Jane or Beverly on 01946 828010 or email bmc@stbeesschool.co.uk

NB: If you are visiting The Whitelaw Building (Business Management Centre), this is the building to look out for on left hand side of the long drive towards car park.
