

ST BEES SCHOOL  
HOLIDAY PROGRAMME

Ages 8 - 16  
Summer & Easter

# ACTIVE-8

WHERE STEAM MEETS LEGO

## ARE YOU READY TO ACTIVE-8 YOUR EASTER?

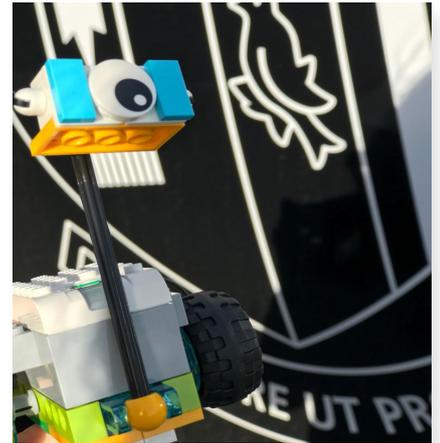

February Half Term has flown by, and you're probably already trying to plan for the next big holiday - **Easter**.

Make this holiday one to remember with our ACTIVE-8 holiday programme. It's a **one-of-a-kind opportunity** to get **hands on** and develop **STEAM skills**, as well as **core life skills such as teamwork, leadership, problem solving, confidence** and more.

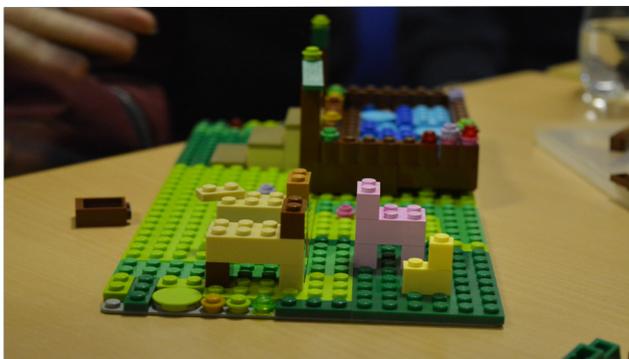

We have **boarding facilities** for those travelling across the country to join us - or even if you just fancy giving boarding a go!

This is **the only school in the whole of the UK** to offer such a unique holiday programme - and we're really excited to share it with you!

So, **what can you expect from the ACTIVE-8 holiday programme** here at St Bees? Take a look below...

## MOTOR SKILLS

Children **learn a lot through play**, so what better way to teach them new life skills that will set them up for the future than using LEGO!

During the ACTIVE-8 programme, children **design and build their own robot out of LEGO** before proceeding to programme them to perform specific tasks.

While it might not seem like it takes much to build something out of LEGO, it involves a lot of **dexterity and coordination** to create a robot - and they won't even realise they're building on an **important life skill!**

## TEAMWORK

**Teamwork is an essential skill in everyday life**, and knowing how to work well with others will help children **gain confidence** through developing **interpersonal skills**, putting them **head and shoulders above** others.

Within the ACTIVE-8 programme, everyone **works together** to succeed. They will learn how to **share, delegate, negotiate, lead and follow as a team**, giving them **real-world experience** in how to become a great team player.

Whether it's designing a robot, deciding who is best for a certain task or helping others who are struggling, it's **all taught in a fun and engaging environment**.

## CLAIM YOUR 20% OFF DISCOUNT CODE

Fancy booking a place on our ACTIVE-8 Easter holiday programme? We currently have a **limited-time discount code**, giving you **20% off** the price!
