ST BEES LIVE HAS LAUNCHED!

With lockdown measures still in place for the foreseeable future, we've decided to bring the true St Bees experience directly to your home... **St Bees Live** has officially launched!

Following the success of our Virtual Open Day there will now be a series of livestreams over the next few weeks to give you a proper overview of what goes on here at St Bees.

The first session saw Head of Marketing & Admissions, Ceara, taking the lead and giving viewers an insight into the admissions process.

Viewers were able to ask questions in real-time and have an answer immediately. We're hopeful this makes **St Bees Live** a vital resource for anyone looking to join our St Bees family - or even for those who just want to see how we work!

We look forward to 'seeing' you at one of our future events to learn a little bit more about what makes us unique!

May 8th - 5.30pm - Boarding
May 13th - 7pm - Character Development
May 16th - 10am - Join us for breakfast!

Visit our Facebook page at the time stated and view the livestream at the top.

Ask our team anything you like - and get an answer in real time!

IT'S NEARLY TIME FOR OUR BIG REVEAL...

If you've been following us on our social media over the past few weeks, you'll have seen us posting challenges to make lockdown a little bit more fun.

Over the last few weeks, there has only been one challenge - and it has been top secret! Those who wanted to participate were asked to reply, and then given further instructions.

We've been astounded at how far our challenge has spread around the world, with participation from St Bees friends and family from Mexico, Slovakia, Hong Kong and even Uganda - to name just a few of the countries!

We still can't fully reveal what we're up to, but

we can tell you that the final piece will be ready to view next week. So keep an eye on our social media pages to see what we have been busy creating!

The underlying message of the collaboration across the world is to highlight that, during the pandemic - we are all in this together - whoever we are, wherever we are. It is a message of hope, community and spirit... and here's a sneak peek of Mr Sinnett's cameo to whet your appetite.

Watch out for our video next week over on our Facebook page: <https://www.facebook.com/StBeesSchool/>

NEXT WEEK: STUDENT FEEDBACK ON ONLINE LEARNING

Our students have been getting to grips with online learning for a couple of weeks now, and we have been getting some great feedback from them during their online lessons.

They have all taken a survey which looks at online teaching a little deeper to see how the students believe it is affecting their learning. These results will be shared with you all in next week's Hive!
