ST BEES VIDEO OF SOLIDARITY

IT'S HERE - our St Bees Secret Lockdown Challenge video is finally ready for the world to see and enjoy!

We wanted to create a video which shows that, despite being locked down and in isolation, no one is really alone - we're all in this together.

Friends and families from around the world (and our teachers and students) were asked to get involved with a super secret project - no one knew what the outcome would be, only that they needed to submit a video to us of them dancing.

Clips came in from countries such as the USA, Uganda, China, Slovakia and quite a number from the local area, too! It was a real worldwide effort, and we can't thank everyone enough for agreeing to participate - especially when no one knew exactly what we were doing.

The intention was to create a 'feel good' video to help the people of the world feel less isolated during this pandemic and to show that people all around the world are still able to come together to have some fun.

If you would like to watch the video, head over to our social media pages. Please do give it a like and a share to spread the word that we're not alone in this - we are all in this together, no matter where we are in the world!

Find the video here: facebook.com/StBeesSchool

Mr Sinnett and Danny Wang both getting in the spirit of things for our video!

STUDENT FEEDBACK ON ONLINE LEARNING

Our students have been handling the swap to online learning really well... but what do they **really** think about this new way of receiving their education?

It is important to know how students are getting on so we can make sure we continue teaching to the same high standards. The questionnaire allowed us to highlight areas where improvements might be needed, and to keep track of how students and staff were finding this new 'normality'.

The results are overwhelmingly positive.

We were especially impressed with the written feedback, with many saying they actually preferred online learning because they were less distracted - way to go St Bees students!

ST BEES LIVE - BOARDING WITH MR GRIBBLE THIS FRIDAY

We're continuing on with our St Bees Live series on our Facebook this Friday where Mr Gribble will be joining Ceara to talk about all things boarding at St Bees School. It's a great opportunity to find out what being a boarder is like, as Mr Gribble was

one himself during his time at St Bees School too! Simply visit our [Facebook](https://facebook.com/StBeesSchool) at 5.30pm on Friday and you will be able to view the livestream directly on the page.
